

LEAPHY

Leaphy Golfbot

Instructieboekje

Vooraf

Hey!

Dit is het boekje van de ClickGolfer.

Een leuk robotje om te bouwen.

Het eindresultaat is ook super leuk.

Als je het robotje hebt gebouwd en geprogrammeerd
mag je je eigen hoofdje ontwerpen, dit kan van alle
materialen die je maar wilt.
succes!

Leila & Anne

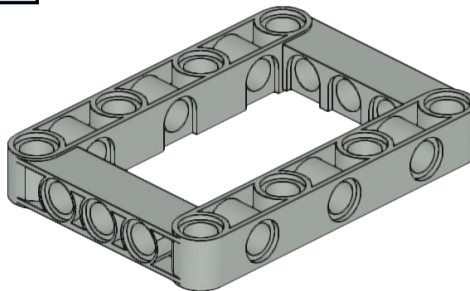

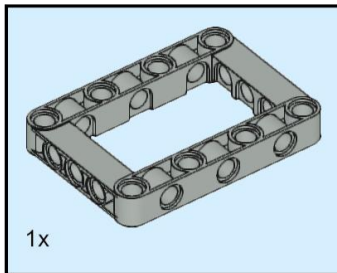

Corderius College

Robotontwerp en lesmateriaal:
Roeland Smith, Ronald Moesbergen en Peter Kaim
